FOBUS, Israel’s leading holster maker since 1978 and the original manufacturer of injection molded polymer holsters and mag pouches. Developed for the Israeli military and special security services. Offering hundreds of holster and mag pouch models for all carry options.

All Fobus holsters are maintenance free and carry a Lifetime Warranty.

HARNESSES & RIGS

SHOULDER HARNESS

- Accepts all Fobus Roto-holsters and mag pouches
- Height and width adjustable
- Subtle for use in any environment and conditions
- Fully concealable and lightweight
- Breathable and washable

EXND THIGH RIG

- Helps keep extension of Fobus paddle holster in use
- Unique Israeli Defense Force (IDF) strap contributes to rugged design
- Effortlessly allows you to move holster from your hip to your thigh without any assembly/disassembly
- Right or left hip compatible
- Adjustable for height and leg diameter
- Mesh backing for optimal ventilation

TACTICAL THIGH RIG

- Unique design accepts any Roto-Holster
- Reversible for left or right leg
- Sturdy and durable two piece design for strenuous wear
- Heavy-duty ballistic nylon leg strap
- Roto-Holster required and not included

ROTO-HOLSTER™

- Rotates 360-degrees for easy adjustment
- Rot platform receives built-in paddle and logo
- Only platform to work with both paddle and belt
- Unique design offers built-in paddle and logo
- Roto-concept proven for years without rust
